Oxidation Removal – T-Top	\$200	\$200

*Inflatable raft needed

** Gunnel, console, and interior walls

*** For hulls over about 30 feet add \$5/ft/step

One of the most exposed surfaces of a boat to the Florida sun is the gunnel, the upper edge of the hull above the rub rail. Sometimes only the gunnel needs to have oxidation removed, while the interior of the topside just needs waxing. Often the gunnel needs to be wet sanded for a perfect finish. If the gunnel has railings attached, it will cost a little more. The prices for only doing the gunnel are:

Oxidation Removal - Gunnel	Price
With Wash and Wax Package	\$5 per foot per step
Without Wash and Wax Package	\$8 per foot per step

SMALL CATARAMANS

Service	Trailer	Lift/Docked*
Wash And Wax	\$18/foot	\$23/foot
Oxidation Removal – Topside**	\$10/ft/step	\$10/ft/step
Oxidation Removal - Hull	\$15/ft/step	\$20/ft/step
Oxidation Removal – T-Top	\$200	\$200
Oxidation Removal – Cabin Top	\$300	\$300

*Inflatable raft needed

** Gunnel, console, and interior walls
